Information

Notes

- This document informally advertises the business which the Government anticipates the House will take in the coming three weeks. It should be read together with the formal Order Paper produced by the Clerk of the Parliaments available from the Printed Paper Office and www.parliament.uk/lords
- Timings in italics are estimates only: business may take more or less time than that estimated. Other times are maximums: business may take less time than the maximum
- Items marked ‡ are expected to be taken during the dinner or lunch break. This usually starts at around 7.30pm or 1.30pm but may start earlier or later
- The advertised business on any day may be interrupted for a Ministerial statement
- The number of sessions shown for a stage of a bill represents the Government's assessment of reasonable time given the balance of bills and remaining days to the likely end of the session. † indicates agreement in the Usual Channels as to that assessment. Progress remains in the hands of the House. Report stage is usually half the length of Committee

Questions for short debate

The Whips' Office offers time for 1-1½ hour questions for short debate in the order in which they appear in the waiting list in *House of Lords Business*. Members waiting to ask their first QSD of the session are offered time before members who have already asked a QSD this session. The slots available are the dinner breaks on most Mondays, Tuesdays and Wednesdays and end of business on Thursdays (though other business, mainly motions in opposition to SIs, competes for this time) and on occasion in Grand Committee. In addition, the Grand Committee meets for a day of QSDs for every six sitting weeks: the Grand Committee will meet for that purpose on: 20 June, 27 June. Further dates will be advertised in due course. To see the Whips' Office progress in scheduling QSDs, visit www.lordswhips.org.uk.

Thursdays

Debates will be taken on Thursdays until the end of January 2014. Bills will be taken on Thursdays from the start of February 2014 until the end of the session.

Sitting Fridays
