- The advertised business on any day may be interrupted for a Ministerial statement
- The number of sessions shown for a stage of a bill represents the Government's assessment of reasonable time given the balance of bills and remaining days to the likely end of the session. Progress remains in the hands of the House. Report stage is usually half the length of Committee

Recess dates

Subject to the progress of business, the House will be adjourned during the following periods:

- *Summer*: Friday 23 July to Sunday 5 September inclusive

Sitting Fridays

The House is expected to sit on the following Fridays: 25 June and 16 July. Further sitting Fridays will be announced in due course.
