Information

Notes

- This document informally advertises the business which the Government anticipates the House will take in the coming three sitting weeks. It should be read together with the formal Order Paper produced by the Clerk of the Parliaments, available from the Printed Paper Office and lordsbusiness.parliament.uk
- The advertised business on any day may be interrupted for a Ministerial statement
- Items marked ‡ are expected to be taken during the dinner or lunch break. This usually starts at around 7.30pm or 1.30pm but may start earlier or later
- The number of sessions shown for a stage of a bill represents the Government's assessment of reasonable time given the balance of bills and remaining days to the likely end of the session. Progress remains in the hands of the House. Report stage is usually half the length of Committee

Recess dates

Subject to the progress of business, the House will be adjourned during the following periods:

- *Autumn long weekend*: Thursday 11 November to Sunday 14 November inclusive
- *Christmas*: Friday 17 December to Monday 3 January inclusive
