Information

Notes

It should be read together with the formal Order Paper produced by the Clerk of the Parliaments, available from the Printed Paper Office and lordsbusiness.parliament.uk
- The advertised business on any day may be interrupted for a Ministerial statement
- Items marked ‡ are expected to be taken during the dinner or lunch break. This usually starts at around 7.30pm or 1.30pm but may start earlier or later
- The number of sessions shown for a stage of a bill represents the Government's assessment of reasonable time given the balance of bills and remaining days to the likely end of the session. Progress remains in the hands of the House. Report stage is usually half the length of Committee
